

Research Facilities & You

Tapping into Newcastle's Expertise & Equipment

08.45 – 12.45, Wednesday 6 December 2017

Baddiley-Clark Seminar Room

Programme

nb times are approximate

08.45	Tea & Coffee	
09.00	Welcome and Opening Remarks	Deb Henderson
09.10	Session 1	
	Genomics Core Facility	Jon Coxhead
	Bioinformatics Support Unit	Simon Cockell
	High Throughput Screening Facility	Peter Banks
09.55	Short Break	
10.05	Session 2	
	Bioimaging Unit	Alex Laude
	Preclinical In Vivo Imaging Facility	Saimir Luli
	Electron Microscopy Research Unit	Kathryn White
10.50	Short Break	
11.00	Session 3	
	Flow Cytometry Core Facility	Andy Filby
	Infectious Diseases Facility	Mike Glanville
	Protein and Proteome Analysis Facility	Achim Treumann
11.40	Summary/Closing remarks	Deb Henderson
11.45	Refreshments, networking, discussion time	
12.45	Close

Thank you to Takara Bio Inc., who are sponsoring today's event!

<http://clontech.com/>

Takara Bio Inc. offers a wide range of life science reagents under the Takara™, Clontech®, and Cellartis® brands. Key products include SMART cDNA synthesis kits for a variety of samples and applications, including NGS, high-performance qPCR and PCR, Cellartis stem cells solutions, the innovative In-Fusion® cloning system, Guide-it gene editing tools.

Clontech Takara cellartis

To find out more, visit Takara's stand in the Medical School Reception on 6th December!
